

freedom9 Pty Ltd

freedom9 partners with Blue Ridge systems to promote networking solutions in Australia

(Sydney, Australia - December 20 2006) Today, freedom9 – a manufacturer of network, storage and KVM products – is excited to announce a distribution partnership with Blue Ridge Systems Pty Ltd in Australia and the opening the freedom9 Australia branch.

"freedom9 offers a range of high quality network, storage, KVM and IP-Power solutions from entry level all the way to the corporate server room," said Geoffrey Egger, Managing Director, freedom9 Australia.

"freedom9's proven success in North America is due to our excellent product quality and great service. We're now proud to be able to offer our products to our Australian audience for the first time."

With freedom9's product expertise, technical know-how and high quality in-house manufacturing, we can offer some of the best products on the market at very attractive prices.

freedom9 products and solutions are available in the Australian market through [Blue Ridge Systems Pty Ltd](#) and their retail partners.
